Contribution

As a Seasons Village Volunteer you will make a difference in our community by supporting single mothers and their children who are participating in the Pathways to Prosperity (P2P) program. The P2P Program offers strategic support to single mothers seeking secondary education through a multiphase curriculum to foster a strong foundation for intergenerational prosperity.

Commitment

Participating families gather as a village weekly on Thursday nights for onsite program curriculum for mothers and children and a communal meal. We need volunteers to provide care and curriculum for children ages 1 month to 16 years every week. The children are divided into 3 age groups. Up to 2 years old, 2- 5 years old and 6- 16 years old. Each group needs 1 or more adult volunteers. Youth aged 14 or older are welcome to volunteer combined with an adult. Season's Village is asking Volunteers working with children to consent to a background report and confidentiality agreement to protect the families, the children, and our growing village.
